

GRANT APPLICATION FORM

Introduction

Fulbeck Parish Council (the "Council") is committed to supporting local organisations and groups whose work benefits some or all of the residents of the Parish. A grant is any payment or gift made by the Council to an organisation for a specific purpose that will benefit the Parish, or residents of the Parish, and which is not directly controlled or administered by the Council. The law requires that Section 137 grants must be "in the interests of or will directly benefit the area or its inhabitants, or of part of it, or some of it" and "the direct benefit should be commensurate with expenditure". Similar considerations will apply when considering applications for other grants. The Council also has a General Power of Competency that may be used to consider a wider capability to offer a grant.

Policy

The Council awards grants, at its absolute discretion, to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- Providing a service,
- Enhancing the quality of life,
- Improving the environment, and
- promoting the Parish in a positive way.

The Council will NOT award grants to:

- Private individuals,
- Commercial organisations,
- Purposes for which there is a statutory duty on other authorities to fund or provide,
- "Upward funders" - ie. local groups where fund-raising is sent to a central HQ for redistribution,
- Political parties,
- Religious organisations: unless for a purpose which does not discriminate on grounds of belief.

This list is not exclusive and may be added to at the Council's discretion.

A grant can be used in various ways, for example:

- purchase of new or improved equipment/facilities
- supporting a specific event
- improving the environment.

The Council will consider applications for grants between £50 and £1,500.

All applications more than £250 must be accompanied by the organisation's previous year's accounts. The Council reserves the right to request further financial and governance documentation before making a decision.

All grants awarded will be subject to regular 'report back' to the Council as to progress and/or community benefit.

Assessment Procedure

At the Council's annual budgeting meeting an amount will be set from which grants will be awarded during the following financial year. A decision upon an award will remain for approval by the Council at the appropriate meeting following the application.

Once the grants budget is exhausted, the Council will only consider emergency requests for assistance, and generally only from organisations with whom it has close links.

An emergency grant request, once received in writing, will be considered at the next available meeting of the Council.

Each application will be assessed on its own merits.

The Council may make the award of any grant or subsidy subject to such additional conditions and requirements as it considers appropriate. The applicant will confirm in writing that these conditions will be met before any payment will be made. The Council reserves the right to refuse any grant application which it considers to be inappropriate, or against the objectives of the Council.

Nothing contained herein shall prevent the Council from exercising, at any time, its existing duty or power in respect of providing financial assistance or grants to local or national organisations under the provisions of the Local Government Act 1972, Section 137.

Successful Applications

A grant award must only be used for the purpose stated on the application. If the organisation is unable to use the money, or any part of it, for the purpose stated, then all monies, or unexpended part of such monies must be returned to the Council. The Council may request proof of expenditure.
