

THE FULBECK NEWSLETTER

June/July 2021 Volume 152

Produced by Fulbeck Communications Group

Printed by Westgate Print, Sleaford

Editor Gill Thornton

FulbeckNews@gmail.com / 07532-339-327

Hello Fulbeck Residents!

How lovely it's been to be able to enjoy the simple pleasures in life out & about with friends again, visiting family & seeing the children coming back to our park, playing sports etc. Great too to see our local hostelrys re-open fully, thank you to all the hardworking staff for helping us stay safe with continued precautions. Many small local businesses have struggled this last year, if you can support them in anyway please do.

We had hoped to bring details of a " Best Kept Village Competition" being run by SKDC, but sadly no flyer was available by the time we went to print. However we have gleaned that random inspections will take place during June & July and more details will be available on FB shortly. Apparently Caythorpe came second last year & won a £300 cash prize, so there's a challenge for Fulbeck to rise to (especially with the recent dreadful weather!)

Sadly as you will see we have had to reduce our colour illustrations due to reduced income from adverts over the last year. We are hoping some of our old clients return as they are able and we are always happy to chat to new businesses about our reasonable rates & terms. Thank you to our current advertisers, your custom and prompt payment is much appreciated.

We're always happy to highlight any current or new business in the village on our small business promotion page please contact me for any queries.

Finally as we move forward with cautious optimism, stay safe with basic sensible precautions as always and let's have a great summer together however we do it. Take care all.

Gill

NATURE NOTES

So where did Spring go? Here we are at the end of May with midsummer day only 3 weeks away and the temperature is more like in late April. A long dry period and now almost daily heavy showers (although not always as forecast) is as confusing to us as it is to nature.

Everything was slow to happen in "Spring" with Swallows and Martins only arriving in small numbers and widely scattered, The Swifts seem to be more abundant around the village than the Swallows and now suddenly everything is happening. Down every hedgerow there is a singing Common Whitethroat every two hundred metres or so with nearly as good a number of Yellowhammer. From nearly everywhere Chiffchaff, Willow Warbler and Blackcap can be heard and House Sparrows have been seen collecting nesting material, although later than usual. I haven't yet heard a Cuckoo although several have been heard around in this part of Lincolnshire. The Great Spotted Woodpecker has been heard drumming earlier in the spinney along Bulby Lane and two pairs of Wheatear have been seen on the old walls along the Viking way, with Skylarks finally filling the extensive Lincolnshire skies with their song on a rising flight. Linnets are often seen along the hedgerows lining the heathland hedges.

Insect Life has, as expected, been slow to emerge and is still not as abundant as we may wish. There have been warm sunny days when the verges and gardens have seen a reasonable number of Butterflies – Red Admiral, Peacock, Small Tortoiseshell, Orange Tip, Brimstone and Small White have made fleeting appearances. The enigmatic Beefly was often seen early on and Queen Bumblebees are still seen searching the grassy verges for suitable nest sites. Solitary Bees have been very active on older stone walls constantly coming and going stocking up their nest holes with food supplies for their larvae before blocking the entrance with mud. The slower emergence of flying insects will have been the main reason for the late appearance of Swallows and Martins.

Plant life has followed a similar pattern and looked pretty dormant for a while but now with slightly warmer conditions and plenty of sun/rain everything is bursting forth. The wildflower plot in the Churchyard is showing great promise with a much greater number of Cowslip and Primrose than last year and with the promise of so much to come from Oxeye Daisy, Corn Cockle, Red Campion, Nettle-leaved Bellflower and Comfrey beginning to show well. We are just seeing the first Speedwell flowering in the verges to replace the delightful little Ground Ivy flowers, and Greater Celandine is now gracing grassy banks.

All in all a confusing picture but it looks like we are in for an interesting and fruitful Summer.

Not From the Rectory: A Month in which the Rector 'bounces back'

Heritage Railways appear to be benefitting from a government 'Bounce Back' scheme and we duly bought our 'Bounce Back' ticket entitling us to a whole compartment on the 11.15am departure one day in April from Wirksworth to Duffield on the Ecclesbourne Valley Railway. In truth this was trip down memory lane for often of a Saturday I would take mother out for a ride in the car and we covered this area of Derbyshire extensively, perhaps enjoying a picnic in the car park at Alport Heights looking over Wirksworth and then dropping down to the town to see the progress on bringing the railway back to life before eventually travelling on the line including most memorably a ride one year on the Santa Special

The line south would have joined the Midland main line at Duffield but the intention was to take the route north beyond Wirksworth and join the main line north of Rowsley thus by-passing a stretch of line owned by a rival company between Ambergate and Rowsley. As soon as the Midland Railway was able to, it took over the line from Ambergate and so Wirksworth became and remained a short branch line mainly for freight from the lead mines and limestone quarries; for milk from farms along the route and for a small but regular group of commuters

The last freight train in 1989 but the lines remained and the Ecclesbourne Valley Railway was formed to bring life back and today our handsome crimson red carriages were hauled by 'Eric' – A Class 14 diesel hydraulic locomotive built in 1965 at Swindon D9537 for shunting duties, latterly working for British Steel before retiring to the East Lancashire Railway but on loan to the EVR:

We can see in the pictures we took first the beautiful British Railways crest on the carriage side displaying a demi-lion rampant (the British lion) holding between the paws a silver locomotive wheel. The lion is issuant from a heraldic crown of gold on which are arranged the rose (for England), the thistle (for Scotland), the leek (for Wales) and the oak leaf (for all Great Britain) – and secondly a prospective purchaser of the 1967 beige Morris Minor parked at the station!

It is but a short journey to the National Trust property of Hardwick Hall where you can see the rector doing that which the bishops have instructed – taking some time to rest! We often combine this with a visit to the family grave taking flowers to replace the Christmas wreath

This letter will be coming out when the church calendar has moved forward into the Trinity season about which John Meade Faulkner [1858-1932] memorably wrote:

We have done with dogma and divinity,
Easter and Whitsun past,
The long, long Sundays after Trinity
Are with us at last;
The passionless Sundays after Trinity,
Neither feast-day nor fast!

With every good wish Stuart Hadley [Rector]

Services for
St Nicholas Church Fulbeck
June/July 2021
part of the
South Cliff Village Group

May They Rest in Peace

28th April 2021: Joyce Levesley -Caythorpe

4th May 2021 Richard (Dick) Castle -Fulbeck

Fulbeck Church has the following services arranged for June and July:

Sunday, 20th June
Sunday, 18th July

Both are services of Holy Communion and start at 10.30am
The Church is open each Wednesday between 10.00am and 4.00pm
for individual private prayer.

We are waiting for further guidance from the Church of England about arrangements for services and church opening after 17th May.

In the meantime we are continuing with our present arrangements about booking places for services (with the PCC Secretary, Iris Morison by email at irismorison@live.co.uk), spacing and the wearing of face coverings, and only opening on one day each week.

However we are now allowed to have nominated "live" singers for hymns although the congregation as a whole still cannot join in the singing. As soon as we know of any changes to the regulations we will put details on the church noticeboards and the village Facebook.

Visit the book swap in the village hall on 17th June, 10-11.30a.m.

Find interesting books and jigsaws and meet friends.

Donations in aid of Marie Curie Rapid Response team welcome.

See you soon! Jenny Cottingham & Carol Aram

Report for Newsletter on Annual Parish Meeting and Parish Council meeting by Zoom

Tuesday, 4th May 2021

Reports by Iris Morison

Annual Parish Meeting

Chairman's Report 2020/2021 by Simon Caunt.

Chairman thanked villagers for their support during the Covid pandemic, especially Paul, Rick and Tina, and everyone else who stepped up to meet the challenge.

Our Parish Clerk is producing a new Website for the village and her email address is clerkffpc@gmail.com

All events were cancelled for the year apart from Remembrance Day when two minutes silence was held at the war memorial. Thanks to Josephine Marriott for arranging the poppies. Also, thanks to the Village Hall committee for the Christmas decorations. The village has pulled together re. the Gypsy site and thanks to Sue Tyler for her efforts.

The precept has been increased by 18% to cover contributions to the costs of resurfacing village car park, repairs to church/village clock, painting the bus shelter and a new notice board, plus an increase in clerk's hours to cover all extra matters. The chairman also thanked the Parish Councillors, District Councillor and the County Councillor.

2. P.C.C. Report by Julian Fane.

There has been no heating and no services until the first service in March by which time the heating and the clock were fixed. Churchwardens, Tony Kingston and Geoff Cottingham, do a huge amount of work behind the scenes. The church is open on a Wednesday for private prayer. It has been a very quiet year.

3. Village Hall Report by Peter Hughes

Due to the pandemic the village hall has been closed and therefore received no income, but government grants have helped the situation. The V.H. has contributed to the village car park, church/village clock, and given the Hall a refreshing coat of paint. Two new seats have been placed at the rear of the sports field to enjoy the view. A further dog poo bin has been ordered for the eastern boundary. The Sports Club has carried out intensive maintenance work on the sports field. The Hall will re-open on the 6th May as a Polling Station. Tai Chi classes will restart on the 19th May and car boot sales may resume in July.

4. Charities Report by Peter Hughes

Relief in Need. Income £1,801. Balance £5,794.96. Eight cash gifts have been made.

Relief in Sickness Fund. Income £71.63. Balance £1,085.15. No grants made.

APM concluded 7.50 p.m.

(Notes Cont overleaf)

Parish Council Meeting (following Annual Parish Meeting)

1. **Highway matters.** The entrance to Wards has been patched. South Heath Lane potholes have been reported.
2. **Correspondence.**
 - 2.1. **Play Park Gyrospiral.** The parts are on order (from France) and hopefully this piece of equipment will be in place by the end of the month. Any new equipment on the playing field needs to be discussed with the Village Hall & Playing Field committee and the Sports Club.
 - 2.2. **Poo Bins & Village Sign.** A request has been made for more poo bins in the village. D.C. Penny Milnes stated that SKDC have placed labels on their litter bins stating they can be used for dog waste. She said that NKDC provide dog poo bins and she will make enquiries with SKDC. Also, it was mentioned that the village sign needs repainting. These items are to be placed on the Agenda for the next meeting,
 - 2.3. **Seat on the Village Hall Green.** Request for permission to place a seat on the village hall green. This was approved. (Anyone who has walked up the hill from Caythorpe knows that a rest at the top is needed!)
 - 2.4. **Village Housing & Employment Survey by Alix Fane.** PC has been provided with the results & it was asked to make these available. The newsletter would need a link to the survey results. (Some residents have stated that they thought the survey was commissioned by the PC was NOT the case & the PC was unaware of it. .
3. **Signage – Ongoing.** CC Alex Maughan had a meeting arranged with SKDC to discuss. No further information has been received.
4. **Planning application S19/2128 -Change of use of land for the siting of 2 caravans on land off Bulby Lane.** The Applicants have now lodged another Appeal (March 2021). They have been told to remove the hardstanding and return to ridge and furrow the two pitches which are now redundant but to date (4th May) they are still there. No Hearing date has been fixed.
5. **Bus Shelter.** Painting of the bus shelter has been carried out and it looks very smart.
6. **Missing Bollards on Brant Road.** On-going.
7. **Tree Preservation Orders.** The Parish Council has received a response from the Householder Team Planning Office and is looking further into trees with “amenity value” outside the conservation area.
8. **D.C. Report.** DC Penny Milne stated the Gypsy site on Bulby Lane has no date fixed for the 2nd Appeal. It is in the hands of the Planning Inspector and he will make the decision.
- 9 **C.C. Report.** CC Alex Maughan advised County Council Elections are to be held on Thursday, 6th May in the Village Hall. (Alex was re-elected as County Councillor).
10. **Litter on Brant Road.** Cllr. Jane Hodcroft reported she had removed a black sack of rubbish and found an address. Reported to SKDC and since then the litter problem has improved. (Several villagers have been seen litter picking on Brant Road and also thanks to Constance for her help in clearing litter).
11. **New Parish Council Notice Board** (included in precept) to be ordered.
12. **Next Parish Council Meeting to be held on Monday, 12th July 2021 at 7.30 p.m. in Fulbeck Village Hall.**

Playing Field Seat

Thanks to Steve from Caythorpe for painting the “Farmer” seat on the playing field. It looks like new and much improved. Steve says he enjoys walking around the area and sitting on the seat.

Amazingly, he also picks up piles of dog poo in an effort to keep our sports field looking attractive for everyone to enjoy. This is very much appreciated Steve and very many thanks for all your efforts.

More Anti-Social Behaviour

The newly painted bus shelter has been damaged by muddy footprints around the walls. This is very disappointing. The walls have been scrubbed and hopefully this will not occur again. Please report any incidents to the Parish Council or Village Hall committee.

CAYTHORPE SHORT MAT BOWLS CLUB (CSMBC)

New Members welcome!!!!

As we head down the road out of lockdown CSMBC is hoping to resume bowling
(exact date to be confirmed).

We are a friendly group who meet in the Caythorpe Village Hall on Tuesday afternoons from 2-4pm,
enjoy a friendly game of bowls, a good natter and a cup of tea.

No previous experience is required, and beginners are very welcome.

Post Covid-19 we are aiming to restart our afternoon sessions as soon as regulations permit
but we will be holding our

Annual General Meeting on Tuesday 1st June 3pm in the village hall garden (if wet socially distanced inside).

If you would like to come and join us to see who we are and what we do with a view to joining us once we formally resume
club sessions you would be very, very welcome!!!!

For any further information please contact Bob Sampson on 01400 273873

COUNTY COUNCILLOR ALEXANDER MAUGHAN

I am both honoured and excited to be re-elected your County Councillor for Hough division with an increased majority and vote share. Thank you to everyone who voted in the local elections.

The Hough electoral division achieved the highest turnout in the whole of Lincolnshire – at 44.3% - which I firmly believe is testament to our collective hard work as a community to engage residents in local decision making.

County-wide the election result was also decisive, with the Conservatives returning 54 out of 70 Councillors across Lincolnshire. Our priorities will be keeping council tax low, providing good quality services, and supporting an ambitious building and development programme of roads, schools and broadband. We will also be targeting more support to tackle potholes and fly-tipping and continue to provide high quality services for our most vulnerable residents of all ages.

Locally my priority continues to be championing our villages, supporting our residents and ensuring we get our fair share of council budgets. We have achieved a number of local improvements in recent years but there is always more to do. Any suggestions you have are gratefully received. I am always available to assist with your individual queries or concerns too - contact details below.

Best wishes, Alexander Maughan—Lincolnshire County Councillor for Hough Division

Fulbeck Cricket Club

We have started our season off strongly on the Lincoln and District Premier Division with 2 wins out of 2 beating both Sleaford and Nocton, during this time we have also seen the sports club reopen and it was great to see so many familiar faces.

We would also like to thank our numerous sponsors this year, including; Ashers Swimpool Centre Ltd, AA and JA Grocock, RWI Instillations and Mount and Minster Properties.

For more information, including results and fixtures visit: <https://fulbeck.play-cricket.com/> or follow us on Facebook (Fulbeck Sports Club), Twitter (@FulbeckCC) or Instagram (Fulbeck Cricket Club)

Neighbourhood Watch Network

Yesterday at 09:00 · 🌐

Did you know dog theft is not defined as a specific crime, with dogs classed as 'property' under the Theft Act 1968.

To help change the law, Neighbourhood Watch is encouraging the public to sign a petition to make dog theft a specific criminal offence. <https://petition.parliament.uk/petitions/560216>

Additionally, you could write to your parliamentary representative letting them know how they can help. All details can be found on ourwatch.org.uk/protectyourpooch #protectyourpooch

To the Newsletter team.

In case you were wondering about the presence of the Bomb Disposal Squad in sleepy Fulbeck recently, read on! GT

Dear Gill ,

Thought you might like this update for the newsletter

Whilst dismantling our shed last week we uncovered a ww2 bomb underneath the shed base. We had to call the police who came out to investigate and they called out the bomb squad. Luckily we didn't have to evacuate as they thought it was a practice round, but they took it away due to contamination. A rather exciting evening but made us quite nervous about what else we might find lurking in the depths!

Saffron Gee

*We have also had a few messages / letters about an on going problem so though I'd amalgamate them here as a one off !
GT*

"I am writing to raise concern about persistent dog mess by regular dog walkers around the village especially in Bulby Lane. I have had to pick up mess from the front drive of Heywood House several times. There is also a larger poo frequently being left outside the bungalow on Bulby Lane."

"There seems to be a dog (and its owner) that continues to poop along Bulby lane, right outside number 12 on the corner entrance to the small car park. It has been doing it for months so is a regular route for the owner. We have lots of children in this area and would really appreciate a plea for people to keep their dog on a lead (I know some people who walk their dog off the lead and ahead of their dog so they "can't" see it poop) and to please please please clean up their mess. If a photo to drive this message home on there is necessary I'm sure we can provide one. Frankly it's becoming a rather disgusting habit and very disappointing it keeps on happening."

" If you're going to use a doggy bag to collect an abandoned deposit thank you but PLEASE take it with you to a suitable bin, leaving it where it was (or worse hanging it on a nearby branch !?!) is hardly likely to remind the owner to collect it. "

This subject has been repeatedly discussed on the Village FB page so this was just to highlight the problem for those who don't use it. Thanks all for your contributions we will not be discussing this further! GT

SMALL BUSINESS PROMOTION

This spring, Manor Stables Craft Centre sees some changes.

Vicky Wilkinson Glass has moved to a brand new bigger shop and workshop space

Vicky specialises in kiln fused glass pieces with an ethereal feel and has taught as a specialist glass tutor at colleges, schools, and in her studio for many years.

Vicky's bigger glass studio and shop will enable her to get back to sharing her knowledge and love for glass by hosting kiln formed glass workshops for people of all levels of experience, perfect for complete beginners! Visitors can explore the magic of creating a range of their own glass pieces. Projects include light catchers, bowls, coasters and lanterns - with options for three-hour taster sessions or weekly courses.

Classes are £50 for a half day and £80 for a full day, you will leave having made a beautiful piece of work and a real sense of achievement.

In addition to her classes Vicky can be seen making her collections of statement jewellery, light sculptures, lamp shades, platters and some new work for this summer, all sold in her shop. Get inspired and add a little light to your space with unique light shades, or to your outfit with handmade glass jewels that capture intersections of colours with subtle highlights and shadows between the layers. Lots of great gift ideas too.

New to the centre is local craft jeweller and pearl specialist Elizabeth Hunt. Elizabeth has over 30 years' experience in the jewellery trade both in the U.K. and when she worked in Hong Kong and Bangkok. She has regularly featured on Jewellery Maker Tv and loves the fun people gain from learning how to create their own jewellery.

As well as a stunning selection of pearl and gem necklaces and earrings she also designs and makes silver jewellery at the workshops utilising a superior silver called Argenteum and will be running make your own silver wedding ring classes along with other items of silver jewellery to compliment the pearl stringing

If you would like to unleash your inner Jeweller come and join Elizabeth for either pearl stringing classes or beginners silver jewellery classes. Classes start at £75 per half day and you will leave with new skill and a beautiful piece of jewellery and a sense of achievement.

Come and meet Vicky and Elizabeth and find out more at Manor Stables Craft Centre, Lincoln Road, Fulbeck.

Thur- Sun 10:30-4:00.

KEY

- Bank Holiday (No collection) If your collection is usually on this day you will be given a supply of clear sacks so that you can put out any extra waste on your next collection date which is Monday 11 January.
 - Bin collections **ONE DAY EARLY** due to Christmas except Monday 21 December which will be collected on Saturday 19 December.
 - Bank Holiday (No collection).
 - Collections one day later due to Bank Holidays.
 - Good Friday. Bin collections take place as usual.
- Extra bags of recycling waste** will also be taken in addition to the silver bin. The extra waste must be in a clear bag. Please do not use black bags in or beside the bin.

Green bin recycling collections 2020/21

Go online to find out more about your collection dates and what items you can put in your bin.

www.southkesteven.gov.uk
Type the words *my bin collection dates* into the search box and follow the instructions.

Do not overfill your bin!
Please put your bins out on the edge of your property by 7.30am on the morning of collection. We cannot accept side waste. Please help our waste and recycling team by putting the bin handles facing the road.

Recycle your tree
Don't forget that you can put your real Christmas tree out for recycling with your green bin on the day this service operates on your street.
